Payment Policies

- A limited amount of financial assistance, in the form of scholarships, may be available. Applications for financial assistance, with proper documentation, must be received by the JCC's Managing Director of Membership no later than March 15, 2010. Application forms can be obtained from the Membership office at the JCC.
- To begin class in September, your family must be a JCC member in good standing, with dues and other obligations for the 2010-2011 membership current. Children will not be permitted to begin the school year if the family is in arrears on the payment of dues, building fund, tuition or other JCC fees. Please be sure that payments are made promptly.
- The JCC Sara Walker Nursery School has classes that meet at the JCC and at Temple Sinai. By submitting this application and deposit, you understand that, if accepted, your child may be assigned, at the sole discretion of the JCC, to a class that meets at either location. Further, you understand that your application and deposit are not refundable or transferable, and are not contingent upon assignment to a specific location or days of the week.
- At no time will any payments made towards tuition (including deposits paid upon application) be refundable. Further, payments are non-transferable and cannot be applied to membership or any other program within the JCC.

Acceptance into the JCC Sara Walker Nursery School is on a school-year basis (September 2010 to June 2011), and tuition for the entire year is due and payable by May 1, 2010. However, as an accommodation in easing the financial burden on our families, we offer the following alternatives:

Two Payments	May 1, 2010	50% of annual tuition
	December 1, 2010	50% of annual tuition, less \$500 deposit paid upon application

Payments may be made by personal check, American Express, Visa or MasterCard (credit and debit cards accepted). For those paying by credit or debit card, the account used for the May 1st payment must have an expiration date of December 2010 or beyond. Your account will be charged automatically for the final tuition payment.

Monthly Payments	Total tuition (less \$500 deposit paid with this application) is payable in eight monthly installments, May 2010 through December 2010. This option is only available via a credit or debit card with an expiration date of December 2010 or beyond. Your account will be charged automatically on the first business day of each month.
------------------	--

Regardless of the payment option chosen, and whether or not the child completes the school year, the full annual tuition amount remains the obligation of the family. All unpaid future installments due under your chosen payment agreement become immediately due and payable in full upon withdrawal of a child from the school.

Please note the following additional information regarding application processing:

- The Managing Director of the JCC Sara Walker Nursery School will have sole discretion, and will apply educationally sound criteria, in making all placement decisions
- Applications received after November 30, 2009 will be handled on first-come, first-served basis
- Notice of acceptance into the Nursery School will be mailed after January 15, 2010

I/we have read the application procedures, processing guidelines and payment policies, and I/we understand that, by submitting an application and deposit to the Jewish Community Center for my child's admission to the JCC Sara Walker Nursery School, that I/we have agreed to be bound by these procedures, guidelines and policies as interpreted in the sole discretion of the Jewish Community Center.
