APPLICATION PROCESSING

- Applications to the JCC Preschool at Greenwich Reform Synagogue are accepted only when accompanied by a \$1,000 non-refundable, non-transferable tuition deposit.

PAYMENT TERMS AND POLICIES

- Tuition deposits paid upon application are not contingent upon assignment to specific days of the week.
 - At no time will any payments made toward tuition (including deposits) be refundable. Further, payments made toward tuition (including deposits) are non-transferable and cannot be applied to any other JCC program or to JCC membership.
 - In addition to annual tuition, a non-refundable \$500 per student security fee will be charged prior to the first day of school for the 2026/26 school year.
 - For your child to begin school in September, your tuition account must be current for the 2026-2027 school year. Children will not be permitted to begin school if the family is in arrears on the payment of tuition or other Preschool fees. Please be sure that payments are made promptly.
 - Acceptance into the JCC Preschool at Greenwich Reform Synagogue is on a school-year basis (September 2026 to June 2027), and tuition for the entire year is due and payable by December 1, 2026. However, as an accommodation in easing the financial burden on our families, we offer two alternate payment plans (*please check the box for the payment plan you would like*):
 - TWO PAYMENTS: May 1 (50% of total tuition) and December 1, 2026 (50% of total tuition less \$1000 deposit)**
These payments may be made by check, American Express, Visa or MasterCard (credit and debit cards accepted). If paying by credit or debit card, the account used for the May 1st payment must have an expiration date of December 31, 2026 or later. This account will be charged automatically for the final tuition payment.
 - EIGHT PAYMENTS: May 1 through December 1, 2026 (roughly equal monthly installments of the tuition balance)**
This option is available only via an American Express, Visa or MasterCard credit or debit card with an expiration date of December 31, 2026 or later. Your account will be charged automatically on the first day of each month.
- Note that a registration submitted and accepted after March 31, 2026 may require a customized payment plan consisting of fewer installments and/or installments spaced closer together, so that the tuition balance will be paid in full no later than December 1, 2026.
- Regardless of the payment option chosen, and whether or not the child completes the school year, the full annual tuition amount remains the obligation of the family. All unpaid installments in your chosen payment agreement become due and payable in full immediately upon withdrawal of the child from the school.

In granting this permission to the JCC and its legal representatives, I am fully and without limitation releasing it from any liability that may arise from the use of the images.
