

### **What are the program options?**

*The KidsPlace After School program offers families 2-, 3-, 4-, and 5-day program options per week. Families can choose how many days and what days their child is attending the program.*

*KidsPlace will run from after school to 6:00 PM and is open to children in kindergarten through 5th grade. Schedule will follow the Stamford Public Schools and support reduced day schedules. Participants must be Stamford JCC members.*

### **How will groups be assigned?**

*All children will be placed into groups within their grade level to start the school year. Adjustments may be made as the school year continues at the director's discretion.*

### **Would I be able to register my child(ren) for enrichment classes at the Stamford JCC?**

*Participants of KidsPlace can take enrichment classes during the time that they are in KidsPlace programming. Enrichment classes are an additional fee to KidsPlace tuition. KidsPlace staff will escort students to program areas for classes, lessons and practices that take place during our program time.*

### **Will KidsPlace have swim lessons?**

*Swim lessons can be added as an enrichment lesson or class. Free swim is offered every Friday for KidsPlace participants.*

### **What are your policies and procedures for bussing?**

*Busing is supported by the local school buses. We do not have private buses or shuttles offered by the Stamford JCC for KidsPlace programming. Bussing is coordinated with the Stamford Public School district by our KidsPlace staff.*

### **What is the security fee?**

*All students participating in KidsPlace are charged a security fee prior to program participation. This covers the costs of security measures that are in place during our programming here at the Stamford JCC.*

### **Do I need to know what days my student is attending as registration opens?**

*We do not need to know specifics until August. However, when deciding between the number of days it is recommended to register at the higher number. It would be more difficult to add a day in the fall if the day requested is at capacity.*

### **When is registration closed?**

*Registration will close as we reach capacity. It is expected that registration will close completely, or limited options will be available by the middle of May.*

### **What is the difference in pricing?**

*This year we introduced an annual commitment option that allows our families to program with us at a lesser fee per month. We value our families continuing program with us throughout the entirety of the school year.*

*Month to month commitment is still an option for families uncertain of their plans going into the school year. The month-to-month option will have a slightly higher fee per month.*

### **How does billing work?**

*Families are charged for KidsPlace on the 1<sup>st</sup> of every month with automatic payments withdrawn from the card on file. We ask that you notify us when you need to make changes to your payment method.*
